

INDEX TO VOLUME 45

The volume is indexed by SUBJECTS, AUTHORS, and BOOK REVIEWS in that order.

SUBJECTS

Abortion

- Emotional responses of women following therapeutic abortion, 446

Adoption

- Identity conflicts in adoptees, 18
- Surrogate mother-child relationships, 382

Adolescence

- Ego and the integration of violence in homicidal youth, 134
- Follow-up of adolescents treated in a psychiatric hospital: operational solutions to some methodological problems of clinical research, 813
- Identity conflicts in adoptees, 18
- Reaching emotionally disturbed children: "judo" principles in remedial education, 867

Aging

- Life strengths and life stresses: explorations in the measurement of the mental health of the black aged, 102

Alternative Service Delivery

- Alternative services, professional practice, and community mental health, 734
- Meditation and the psychotherapist, 484
- Situation/transition groups: a conceptualization and review, 744
- Use of self-help groups as supportive reference communities, 756

American Orthopsychiatric Association

- AOA's president for 1975-76, Shirley Cooper, M.S., 324
- Business Meeting, 904
- Editor's Reports, 2, 322, 514, 730
- Macro-structural influences on child development and the need for childhood social indicators, 516
- On confidentiality of health records, 732

Autism

- Interaction patterns in families of autistic, disturbed, and normal children, 473

Behavior Modification

- Intervention with families of gender-disturbed boys, 150

Behavior Symptoms and Problems

- Family lunch session: an introduction to family therapy in anorexia nervosa, 846
- Hyperactivity in preschoolers and the effect of methylphenidate, 38
- Hyperkinetic children: the use of stimulant drugs evaluated, 28
- Intervention with families of gender-disturbed boys, 150
- Optimal stimulation as theoretical basis of hyperactivity, 549
- Psychiatric problems of children seen in an urban center of western India, 490
- Relationship of certain childhood "traits" to adult psychiatric disorders, 74
- Symptom development in Vietnam era veterans, 158
- Teacher ratings of children vulnerable to psychopathology, 838
- Using cerebral stimulants to treat minimal brain dysfunction, 564
- Violence at home: a review of the literature, 328

Capital Punishment

- Capital punishment as suicide and as murder, 701
- Development of moral judgments concerning capital punishment, 614
- Effects of the death penalty: data and deliberations from the social sciences, 580
- Family experience and public support of the death penalty, 596
- Murder and capital punishment: some further evidence, 669
- Murder and the death penalty: a case report, 712
- Psychiatric reflections on the death penalty, 689
- Rape, race, and the death penalty in Georgia, 658
- Role of the social sciences in determining the constitutionality of capital punishment, 581
- Sociological perspective on public support for capital punishment, 641

- Symptom development in Vietnam era veterans, 158
- Teacher ratings of children vulnerable to psychopathology, 838
- Using cerebral stimulants to treat minimal brain dysfunction, 564
- Violence at home: a review of the literature, 328

Capital Punishment

- Capital punishment as suicide and as murder, 701
- Development of moral judgments concerning capital punishment, 614
- Effects of the death penalty: data and deliberations from the social sciences, 580
- Family experience and public support of the death penalty, 596
- Murder and capital punishment: some further evidence, 669
- Murder and the death penalty: a case report, 712
- Psychiatric reflections on the death penalty, 689
- Rape, race, and the death penalty in Georgia, 658
- Role of the social sciences in determining the constitutionality of capital punishment, 581
- Sociological perspective on public support for capital punishment, 641

Child Abuse

- Preventing the abuse of little children: the parents' center project for the study and prevention of child abuse, 372
- Professional abuse of children: responsibility for the delivery of services, 357
- Social construction of child abuse, 363
- Unraveling child abuse, 346
- Violence at home: a review of the literature, 328

Child Rearing and Development (see Infant Development)

- Children in a warring world, 765
- Do doctors know what children know?, 146
- Family experience and public support of the death penalty, 596
- Macro-structural influences on child development and the need for childhood social indicators, 516
- Mother-child interaction: a comparison of hyperactive, learning disabled, and normal boys, 51
- Mother-child interaction observed at home, 468
- Psychosocial development and behavior of mothers of failure-to-thrive children, 525
- Surrogate mother-child relationships, 382

Children

- Child custody consultation, 791
- Children in a warring world, 765
- Children, privacy, and nontherapeutic experimentation, 802
- Corrective social interaction therapy: role modeling, 875
- Do doctors know what children know?, 146
- Ego and the integration of violence in homicidal youth, 134
- Evaluation of a large-scale brief therapy program for children, 119
- Evaluation of methods to improve communication in the physician-patient relationship, 420
- Family lunch session: an introduction to family therapy in anorexia nervosa, 846
- Hyperactivity in preschoolers and the effect of methylphenidate, 38
- Hyperkinetic children: the use of stimulant drugs evaluated, 28
- Interaction patterns in families of autistic, disturbed, and normal children, 473
- Intervention with families of gender-disturbed boys, 150
- Macro-structural influences on child development and the need for childhood social indicators, 516
- Maternal employment reconsidered: effects on infants, 773

- Mother-child interaction: a comparison of hyperactive, learning disabled, and normal boys, 51
- Mother-child interaction observed at home, 549
- Parallel processing approach to delivery of mental health care in a children's outpatient psychiatric clinic, 884
- Peer behavior conceptualized as a variable influencing infant and toddler development, 4
- Preventing the abuse of little children: the parents' center project for the study and prevention of child abuse, 372
- Professional abuse of children: responsibility for the delivery of services, 357
- Psychiatric problems of children seen in an urban center of western India, 490
- Reaching emotionally disturbed children: "judo" principles in remedial education, 867
- Relationship of certain childhood "traits" to adult psychiatric disorders, 74
- Social construction of child abuse, 363
- Surrogate mother-child relationships, 382
- Teacher ratings of children vulnerable to psychopathology, 838
- Unraveling child abuse, 346
- Using cerebral stimulants to treat minimal brain dysfunction, 564
- Violence at home: a review of the literature, 328

Clinic Operation

- Assessment of individual coping capacities in a group therapy setting, 399
- Evaluation of a large-scale brief therapy program for children, 119
- Evaluation of methods to improve communication in the physician-patient relationship, 420
- Follow-up of adolescents treated in a psychiatric hospital: operational solutions to some methodological problems of clinical research, 813
- Hold the hardware: the use and abuse of tapes in clinical teaching and learning, 573
- Parallel processing approach to delivery of mental health care in a children's outpatient psychiatric clinic, 884
- Preventing the abuse of little children: the parents' center project for the study and prevention of child abuse, 372
- Use of mental health services by black students at a predominantly white university: a three-year study, 430

Community Mental Health

- Alternative services, professional practice, and community mental health, 734

Asian Americans in the community mental health care systems, 111

Comparison of voluntary and involuntary patients in a state hospital, 81

Evaluation of a large-scale brief therapy program for children, 119

Ex-mental patient as an employee: an on-the-job evaluation, 479

Life strengths and life stresses: explorations in the measurement of the mental health of the black aged, 102

Mental health mystification and social control, 414

Use of mental health services by black students at a predominantly white university: a three-year study, 430

Cross Cultural Studies

Alternative services, professional practice, and community mental health, 734

Asian Americans in the community mental health care system, 111

Life strengths and life stresses: explorations in the measurement of the mental health of the black aged, 102

Meditation and the psychotherapist, 484

Psychiatric problems of children seen in an urban center of western India, 490

Use of mental health services by black students at a predominantly white university: a three-year study, 430

Ethical Concerns (Professional Ethics)

Mental health mystification and social control, 414

Professional abuse of children: responsibility for the delivery of services, 357

Psychiatric reflections on the death penalty, 689

Solo woman in a professional peer group, 164

Families/Family Therapy/Group Therapy

Assessment of individual coping capacities in a group therapy setting, 399

Corrective social interaction therapy: role modeling, 875

Evaluation of a large-scale brief therapy program for children, 119

Family experience and public support of the death penalty, 596

Family lunch session: an introduction to family therapy in anorexia nervosa, 846

Family reaction to homicide, 391

Intervention with families of gender-disturbed boys, 150

Married manic, 854

Preventing the abuse of little children: the parents' center project for the study and prevention of child abuse, 372

Situation/transition groups: a conceptualization and review, 744

Violence at home: a review of the literature, 328

Health Care Systems

Comparison of voluntary and involuntary patients in a state hospital, 81

Evaluation of methods to improve communication in the physician-patient relationship, 420

Mental health mystification and social control, 414

On confidentiality of health records, 732

Professional abuse of children: responsibility for the delivery of services, 357

Social construction of child abuse, 363

Unraveling child abuse, 346

Hyperactivity

Hyperactivity in preschoolers and the effect of methylphenidate, 38

Hyperkinetic children: the use of stimulant drugs evaluated, 28

Mother-child interaction: a comparison of hyperactive, learning disabled, and normal boys, 51

Optimal stimulation as theoretical basis of hyperactivity, 549

Using cerebral stimulants to treat minimal brain dysfunction, 564

Infant Development (see Child Development)

Maternal employment reconsidered: effects on infants, 773

Peer behavior conceptualized as a variable influencing infant and toddler development, 4

International Reports

Psychiatric problems of children seen in an urban center of western India, 490

Law and Legislation

Capital punishment as suicide and as murder, 701

Children, privacy, and nontherapeutic experimentation, 802

Comparison of voluntary and involuntary patients in a state hospital, 81

Development of moral judgments concerning capital punishment, 614

Do mental patients want legal counsel? A survey, 88

Effects of the death penalty: data and deliberations from the social sciences, 580

Family experience and public support of the death penalty, 596

Murder and capital punishment: some further evidence, 669

Murder and the death penalty: a case report, 712

Psychiatric reflections on the death penalty, 689

Rape, race, and the death penalty in Georgia, 658

Role of the social sciences in determining the constitutionality of capital punishment, 581

Sociological perspective on public support for capital punishment, 641

Mental Health Nonprofessionals

Alternative services, professional practice, and community mental health, 734

Situation/transition groups, a conceptualization and review, 744

Supervision and the emerging professional, 93

Use of self-help groups as supportive reference communities, 756

Mental Health Professionals

Alternative services, professional practice, and community mental health, 734

Child custody consultation, 791

Meditation and the psychotherapist, 484

Mental health mystification and social control, 414

Professional abuse of children: responsibility for the delivery of services, 357

Psychiatric reflections on the death penalty, 689

Social construction of child abuse, 363

Solo woman in a professional peer group, 164

Parent-Child Interaction (Family Interaction)

Corrective social interaction therapy: role modeling, 875

Family experience and public support of the death penalty, 596

Family lunch session: an introduction to family therapy in anorexia nervosa, 846

Identity conflicts in adoptees, 18

Interaction patterns in families of autistic, disturbed, and normal children, 473

Maternal employment reconsidered: effects on infants, 773

Mother-child interaction: a comparison of hyperactive, learning disabled, and normal boys, 51

Mother-child interaction observed at home, 468

Perceived life-stress and psychopathology among mothers of young children, 58

Preventing the abuse of little children: the parents' center project for the study and prevention of child abuse, 372

Psychosocial development and behavior of mothers of failure-to-thrive children, 525

Surrogate mother-child relationship, 382

Unraveling child abuse, 346

Violence at home: a review of the literature, 328

Pharmacology

Hyperactivity in preschoolers and the effect of methylphenidate, 38

Optimal stimulation as theoretical basis of hyperactivity, 549

Using cerebral stimulants to treat minimal brain dysfunction, 564

Hyperkinetic children: the use of stimulant drugs evaluated, 28

Primary Prevention

Children in a warring world, 765

Macro-structural influences on child development and the need for childhood social indicators, 516

Mental health mystification and social control, 414

Unraveling child abuse, 346

Psychiatric Research

Comparison of voluntary and involuntary patients in a state hospital, 81

Follow-up of adolescents treated in a psychiatric hospital: operational solutions to some methodological problems of clinical research, 813

Hyperactivity in preschoolers and the effect of methylphenidate, 38

Interaction patterns in families of autistic, disturbed, and normal children, 473

Relationship of certain childhood "traits" to adult psychiatric disorders, 74

Soteria: evaluation of a home-based treatment for schizophrenia, 455

Traffic violation frequencies of state hospital psychiatric patients, 887

Psychological Research

Emotional responses of women following therapeutic abortion, 446

Mother-child interaction: a comparison of hyperactive, learning disabled, and normal boys, 51

Mother-child interaction observed at home, 468

Perceived life-stress and psychopathology among mothers of young children, 58

Preparation during pregnancy and ability to cope with labor and delivery, 825

Psychosocial development and behavior of mothers of failure-to-thrive children, 525

Teacher ratings of children vulnerable to psychopathology, 838

Work role and depression in women: a comparison of workers and housewives in treatment, 538

Psychotherapy

- Evaluation of a large-scale brief therapy program for children, 119
- Meditation and the psychotherapist, 484

Rehabilitation

- Ego and the integration of violence in homicidal youth, 134
- Ex-mental patient as an employee: an on-the-job evaluation, 479
- Traffic violation frequencies of state hospital psychiatric patients, 887

Residential Treatment

- Soteria: evaluation of a home-based treatment for schizophrenia, 455

Schizophrenia

- Soteria: evaluation of a home-based treatment for schizophrenia, 455
- Teacher ratings of children vulnerable to psychopathology, 838

Social and Economic Issues

- Children, privacy, and nontherapeutic experimentation, 802
- Ego and the integration of violence in homicidal youth, 134
- Ex-mental patient as an employee: an on-the-job evaluation, 479
- Mental health mystification and social control, 414
- On confidentiality of health records, 732
- Preventing the abuse of little children: the parents' center project for the study and prevention of child abuse, 372
- Professional abuse of children: responsibility for the delivery of services, 357
- Social construction of child abuse, 363
- Supervision and the emerging professional, 93
- Symptom development in Vietnam era veterans, 158
- Unraveling child abuse, 346
- Violence at home: a review of the literature, 328

Social Role and Sex Role

- Maternal employment reconsidered: effects on infants, 773
- Mother-child interaction observed at home, 468
- Psychosocial development and behavior of mothers of failure-to-thrive children, 525
- Solo woman in a professional peer group, 164
- Surrogate mother-child relationships, 382
- Work role and depression in women: a comparison of workers and housewives in treatment, 538

Sociocultural

- Asian Americans in the community mental health care system, 111
- Life strengths and life stresses: explorations in the measurement of the mental health care of the black aged, 102
- Use of mental health services by black students at a predominantly white university: a three-year study, 430

Training and Supervision

- Hold the hardware: the use and abuse of tapes in clinical teaching and learning, 573
- Supervision and the emerging professional, 93

Urban Problems

- Life strengths and life stresses: explorations in the measurement of the mental health of the black aged, 102

Value Formation

- Children in a warring world, 765
- Development of moral judgments concerning capital punishment, 614
- Family experience and public support of the death penalty, 596

Violence, Self-Injury

- Capital punishment as suicide and as murder, 701
- Children in a warring world, 765
- Ego and the integration of violence in homicidal youth, 134
- Family experience and public support of the death penalty, 596
- Family reaction to homicide, 391
- Murder and the death penalty: a case report, 712
- Preventing the abuse of little children: the parents' center project for the study and prevention of child abuse, 372
- Professional abuse of children: responsibility for the delivery of services, 357
- Social construction of child abuse, 363
- Unraveling child abuse, 346
- Violence at home: a review of the literature, 328

Youth and Students

- Alternative services, professional practice, and community mental health, 734
- Ego and the integration of violence in homicidal youth, 134
- Identity conflicts in adoptees, 18
- Use of mental health services by black students at a predominantly white university: a three-year study, 430
